Salendine Nook Baptist Scout Group

“Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.”

We do this through indoor and outdoor activities.

Scouting relies on volunteers to provide the skill and support.

What can I give?

- the amount of time you can commit is dependent on your own circumstances;
- any support is welcome;
- you may have skills that you could share with us - either for working with the children, supporting the Group or any other trade that may be useful - ask if you are not sure;
- working on administration etc. can release leaders to focus their effort on the support for the children:

We may have vacancies for children,

- currently we have vacancies in the Scout and Explorer sections.
- there may be waiting lists for the other sections.

If you want your child to get involved in any section of Scouting in the future, contact us as soon as you can so that they can go on the waiting list. This will ensure that they have a greater chance of starting when they reach the desired age.
